

Report On

Vortex' 2022: Mechanical Department Day

Title

Theme: Trends

Resource personnel

Fr. Pinto, Fr. Mario, Fr. Joe and Fr. Nelson

Date and Time

7th October 2022 from 2:00 to 5:00 pm

Session Venue Platform

Offline in Mondini Hall

Goals and Objectives

meets the Program objectives as below

Program objectives

Outcomes:

PO – 06

Vortex provides a platform to connect engineers with society through cultural programs.

PO – 09

Vortex provides a platform to function efficiently as an individual and as a group member in a team.

PO – 10

Vortex helps to develop an ability to communicate, comprehend and present effectively.

Faculties Committee

Prof. Buddhipriy S chavan

Students Committee

Miss. Simran Ahiwale

Master. Samuel Dsouza

Master. Glorian Mariyapnoor

Master. Yash Khamkar

Outcome:

- Public presentation on stage through cultural events like dance forms, dramatics, singing (both single and duet), solo performances etc.
- Develop Teamwork and collaboration.
- Develop Expression of thoughts and speech.
- Dare to face the public through Stage.

Number of Attendees : 390

Faculty : 40

Students : 350

Event Flyer:

Vortex, the annual department day of the Mechanical Department of DBIT was held on 7th of September 2022 from 2.00pm to 5.30pm with the theme of "Trends". This theme was chosen to relive and recall the trends on the internet and amongst us students throughout our engineering life.

Description:

The event started with a grand entry of all fathers and faculty followed by the national anthem and our HOD Dr. Pradeepkumar Suryawanshi's introductory speech welcoming each and every one.

The first performance of Vortex 2022 was the band performance with beautiful melodies of hindi songs. The band included students of Second year as well as Third year. Following was the presentation of advertisements made by Third Year students, next up

was our very own faculty Prof. Swapnil Gujarati, Prof. Shreeprasad Manohar and Dr. Pradeepkumar Suryawanshi singing melodious and energetic Bollywood songs. The next event was felicitation and awards to the academic rankers and sports winners followed by a singing performance by the Third year students and an advertisement.

Next event was a beautiful and enthusiastic dance performance by our very own faculty and their fabulous ramp walk, followed by a student fashion show which was a stage act on emotions like love, hate, greed, envy and anger.

To add more energy Third year student Adarsh Rao and Glorian performed a rap song composed by themselves, It was followed by an energetic dance performance by the SEs which was performed in a great sync followed by an advertisement. The next event was Third year students dancing and creating a very cheerful atmosphere with their energetic performance followed by another advertisement and lastly the beautiful Qawwali performance by Third year students. Lastly, a Thank You & Goodbye speech was given by Prof. B.S. Chavan to appreciate and congratulate each and every student who helped make Vortex 2022 a grand and successful department day. After this a Jam Session was arranged and thus Vortex 2022 came to a sweet and smooth end.

Organizing Dept/Committee and its Members: Mechanical Dept
